Order Denying Motions

Darrell J. Harper's motions for leave to file new cases are denied. Most of the complaints name either the United States or the state of Texas and contain citations of law and vague allegations that the national or state government has somehow discriminated against Harper on the basis of his race. Some include a collection of orders in cases that he filed from a variety of courts and his charge of discrimination in the workplace. (6)(7)(9)(10)(11)(12)(15)(16)(24)(25)(27)(28)(29)(30)(31)(33)(34)

Harper has also filed several motions for leave to sue the Harris County tax assessor for somehow discriminating against him by assessing his property taxes. Those motions are also denied. (13)(14)(21)(26)(32)(35)

One of his complaints against the state of Texas includes as an exhibit the complaint of Earnest J. Matthews from a different case. That motion is denied. (17)

Signed on June 14, 2018, at Houston, Texas.
